

Windskill Final Conference

Berlin, 23.10.2009

The WINDSKILL initiative was started with the support of the Intelligent Energy Europe Programme in 2006 and has enrolled a wide range of stakeholders across Europe in a first-time endeavour to harmonize qualification standards in the European wind energy sector. The conference will highlight the project outcomes and present key stakeholder perspectives on skills development in the wind industry.

CONFERENCE PROGRAMME

09.15 Registration, coffee

10.00 [Welcome](#)

Hermann Albers, President, German Wind Energy Association;
Dr. Harry Lehmann, Head of Environmental Planning and Sustainability Strategies, Federal Environment Agency (*tbc*)

10.30 [The European perspective on training for renewable energy](#)

Andrea Herscuth, Renewable Energy Policy Officer, DG Energy and Transport, European Commission (*tbc*);
Dr. Nicolas Fichaux, Head of Policy Analysis, EWEA European Wind Energy Association

11.10 [The Windskill project: strategy and achievements](#)
